## SAMPLE OF CREATIVITY

This is not as hard as it may sound and you should actually try to have some fun with it. We want to see anything you have ever done to express yourself creatively. This might be web page design, computer art or designs, photography, film or video projects, narrative stories or scripts, scale models, songs or music, illustrations, paintings, sculpture... anything! Ideally it should be submitted in a format that we might keep a copy of, i.e. duplicates, photographs, photocopies, electronic files, etc. If you have a unique situation requiring special handling, call us and we will work with you.

What are you submitting and in what format?
